

**School Experiences Attendance Log**

Semester \_\_\_\_\_

**Directions:** Candidates should use this log to document time spent in clinical placements. Every visit should be logged. You may need a different form for each course; ask your course instructor. **Multiple copies of the form may be used to log all visits.**

**At the end of the semester: 1) upload your School Experiences Log in your Field Experiences portfolio on Taskstream.** For directions on how to access the Field Experiences portfolio, go to <http://osacp.uncc.edu> and under the “Students” tab, select “Clinicals”. Scroll down to find the “Taskstream Field Experiences Portfolio” link for directions. **2) Follow any additional directions from your course instructor about submitting the form for course requirements.**
